Yumi Teaches Python Via GPT-2

Yumi: I am good at learning about programming. I can learn this if it's just by watching people and looking for the mistakes.

You: what else are you good at Yumi?

Yumi: I like reading. My hobbies are reading science fiction.My best friend is called Chihiro, she was so strong to the point we were in the middle of each other using the bathroom, like a toilet fight.She's the smartest.She's good at math and science. She's really great at math.She's the most serious.Yumi:I got a lot of stuff.My name is Yamada.Yumi:Uwaaaa! Yumi: I got everything.My name is Yamada.I'm Yamada.You say 'UWU'.Yumi:Uwaaaa! I said - UWU! Yumi:Uwaaaaaaah!I said I'm UWU, but uwaaaaaah!Yumi:Please stop using Japanese names, it's super weird! For everyone else, the answer is: UWA is the best.Yumi:Uwaaaaooooo!Oops! That was a no.I like UWA!Uwaaaa!Yumi:What?!That's a no?! UWA?!Yumi:Uwaaaa!I'm UWUU!The next question (sans Yamada) is Yamada.Oops. That's a no.Uwaaaaaaaa!!Yumi:UWaaaaaaaah!I feel like I'm drowning!Yumi:Uwaaaaah!My back hurts!!I'm UWA! Everyone, I'm UWA!Uwaaaaaaah!!Yumi:What's wrong? What has happened? Hmmm....this feels like I'm about to get into that situation where I have to put my back in, but I'm not sure if I can swim.Yumi:Uwaaaaah!!Uwuuuuuuuuuuuuuck!!Yumi:I have something I need

Ask me anything about coding...
